**ORDER CONCERNING MOTION
FOR RECONSIDERATION**

Docket No. 2015-013

Cause No. 139-130

On August 3, 2015, Petitioner EP Energy E&P Company, L.P. ("EPE") filed a Petition for Reconsideration of Amended Findings of Fact, Conclusions of Law and Order (the "Motion"). The Motion asks the Board to reconsider certain aspects of its July 28, 2015 Amended Findings of Fact, Conclusions of Law and Order. On August 6, 2015, Respondent J.P. Furlong Co. filed a Response to Petition for Reconsideration of Amended Findings of Fact, Conclusions of Law and Order ("Response") opposing the reconsideration relief sought by EPE.

Unless the Board takes some action regarding the Motion within twenty (20) days of its filing, the Motion would be deemed denied pursuant to Utah Code Ann. Section 63G-

4-302(3)(b). Utah Admin. Code Rule R641-110-400 also specifies that if no action is taken on the Motion by the date of the Board's next regularly-scheduled hearing following the Motion's filing (in this case that hearing will be held on August 26, 2015), the motion will be deemed denied.

The Board hereby grants reconsideration and announces that it will consider the arguments made in the Motion and Response. Given the Board's hearing schedule, the August 26, 2015 hearing is the first opportunity the Board will have to consider and deliberate upon the Motion. The Board clarifies that the Motion shall not be considered denied under the above-referenced statute or rule, but is under consideration by the Board and will be addressed in a future Board order. To the extent required by Utah Admin. Code Rule R641-110-400, the Board sets the matter for hearing at its regularly-scheduled meeting on September 16, 2015, but may issue an Order resolving the Motion prior to that date. The time for ruling on the Motion is hereby extended until September 16, 2015.

For all purposes, the Chairman's signature on a faxed copy of this Order shall be deemed the equivalent of a signed original.

DATED this 21st day of August, 2015.
